Dear Ms. McGovern:

We have reviewed the application for recognition by **Eurofins Product Service GmbH** and are pleased to inform you that Industry Canada has recognized

Eurofins Product Service GmbH
CAB Identifier: DE0004

as an accredited Conformity Assessment Body (CAB) under the terms of the Sectoral Annex on Telecommunications of the Canada-EU MRA. The scope for which this laboratory has been recognized is given below.

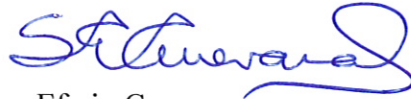

Coverage	Standards
Terminal Equipment	CS-03 Part V

We will proceed with updating our database to include this information.

This recognition is contingent upon the maintenance of **Eurofins Product Service GmbH's** accreditation status and is limited to the standard listed above.

If you require additional information or clarification, please correspond with Industry Canada's Telecommunications Engineering and Certification Division, 300 Slater St., Ottawa, ON K1A 0C8, phone (613) 990-4526 fax (613) 957-8845.

Sincerely,

Efrain Guevara
Acting Deputy Director
Telecommunications Engineering
and Certification
